

MAKE AN IMPACT – MAYFAIR MAMMOGRAPHY SERVICES COMING TO REGINA

Be a part of a transformation in healthcare delivery as Mayfair Diagnostics introduces cutting-edge mammography and breast ultrasound services to Regina in 2024.

A dedicated local community diagnostic imaging provider since 2011, Mayfair is committing to help satisfy skyrocketing demand for breast imaging services in southern Saskatchewan. While helping to ease some of the strain on Saskatchewan's healthcare system, our aim is to support our patients in obtaining the timely imaging needed to safeguard health and ensure ongoing wellness.

As a longstanding community partner to government, Mayfair Diagnostics has spent more than a decade providing top-tier radiography and ultrasound services at our Regina clinic. These complement world class MRI operations at our Saskatoon and Regina facilities. Our services are backed by an exceptional team of subspecialty trained radiologists, technologists, and support staff who collaborate seamlessly to create extraordinary patient experiences. Harnessing state-of-the-art technology to provide a vast array of specialized medical imaging services, we are trailblazers in our field always looking to expand our horizons on behalf of our patients. We now aim to bring this spirit of innovation and service to community breast imaging.

Whether you're seeking full-time, part-time, or casual opportunities, Mayfair welcomes you with open arms. Successful applicants for full-time and part-time mammography roles can expect a generous signing bonus and relocation assistance. Additionally, we're offering a hot skills hourly wage premium that's guaranteed for at least 24 months.

Your journey begins with three weeks of comprehensive training at clinical locations in Calgary. At Mayfair, we invest in your success, covering all training costs, travel expenses, accommodations, and meals to ensure you become a proficient member of our team.

YOUR ROLE AS A MAMMOGRAPHY TECHNOLOGIST

As a mammography technologist, you'll not only perform mammography exams but also engage in general radiographic work. Using our state-of-the-art mammography suite, you'll function as a key member of our high-performing team, collaborating closely with radiologists and other technical and support staff to deliver top-quality medical care while fostering a positive patient experience.

SKILLS AND EXPERIENCE THAT DEFINE YOU

- A graduate of an accredited x-ray program recognized by CAMRT and SAMRT.
- A credentialed member of CAMRT and SAMRT with liability insurance.
- An experienced technologist with a passion for sharing knowledge while embracing Mayfair protocols.
- Renowned for your unwavering commitment to quality.
- In possession of strong time management and critical thinking skills, while never shying away from asking questions or sharing knowledge.

TOTAL REWARDS

More than a paycheque, Mayfair is proud to offer customized rewards for employees.

- Eligibility for group benefits upon your date of hire as well as a wellness spending account.
- An annual uniform allowance, group RRSP matching savings program, generous sick time allowance, flexible work options and above average vacation entitlements.
- Annual reimbursement for professional dues and an annual education allowance that can be used for training and conference attendance.

Join us at Mayfair Regina and help shape the future of healthcare in Saskatchewan.
